From Our Founder

As the founder of Angelink, I am thrilled at how our community of Angels came together this year to improve lives, share love and inspire hope by touching the hearts of so many. By your use of our platform, we welcomed thousands of new campaigns that raised funds to fight cancer, pay medical bills, and fund memorial services for loved ones. Together, we helped our community recover from natural disasters and repair homes devastated by fires and floods.

We are proud of the positive impact Angelink has made in the lives of so many and look forward to the opportunities that lie ahead in 2024!

Best Regards, Gerry Poirier
 CEO and Founder
